

# The Wagner Aruba Cruise Sept 23 2023

Hi,

Well, we haven't given up on the Aruba Cruise. But I tell you... it has been thru some trial and error this last few years.

But... here we go.

The inventory I have reserved is for a very EXCITING cruise ship! The best one we have done so far. The Harmony of the Seas by Royal Caribbean  
The Harmony is one of the largest ships in the world... includes a Central Park, a Royal Promenade, 2 flow riders, a very large Solarium and many other items only found on the Oasis Class ships of Royal Caribbean International.

**CRUISEWEB** Presents:

## Inside Royal Caribbean's *Harmony of the Seas*

**The Ultimate Abyss** provides the thrills as guests plummet 10 stories into the pools below on the tallest slide at sea!

Use **VOOM**, the fastest internet at sea, to share vacation highlights with friends and family using Facebook, Instagram, Facetime or Skype. Plus, you can play Spotify and watch Netflix!

Enjoy 360-degrees of immersive entertainment with *The Fine Line* at the **AquaTheater**. Marvel at the high-flying acrobatics and incredible stunts of this one-of-a-kind show!

The bigger and wetter **Splashaway Bay** aquapark features water cannons, slides, waterfalls and a massive drench bucket!

Head to the **Bionic Bar** to enjoy a delicious cocktail mixed by robots! Their robotic arms engineer the perfect drink while you stare in amazement!

Combine world-class ice skating with high-tech visuals for an **Ice Show** like you've never imagined!

Reach for the sky on the 40-foot **Rock Wall** or hang ten at one of the two **FlowRider** surf simulators found on board!

You never know where the **Stowaway Piano** player will turn up - by the pool, in Central Park, or even on the elevator! Try and track this stealthy performer as they appear throughout the ship.

Your favorite characters from *Shrek*, *Kung Fu Panda* and *Madagascar* come to life with the **DreamWorks** experience at sea. Enjoy 3D movies, special DreamWorks programming and even have breakfast with the characters.

Sneak away to the adults-only **Solarium** for a peaceful respite with soothing whirlpools, a relaxing indoor pool and warm sunshine!

Conquer an "escape room" at sea with **Puzzle Break: Escape The Rubicon**. Work with friends to find hidden clues and solve the puzzles before time runs out!

**Grease** heads to sea for the first time ever! Expect *Summer Lovin'*, *Greased Lightning* and more from the hit Broadway musical.
